Out & about

Eco options for every part of your day!

NOMAD MUST HAVES RENEW MESSENGER BGR400
Plastic to purpose. This Messenger bag is made from 16 water bottles of 500ml.

BAMBOO X COFFEE EC147
Journal covers are made from 15% bamboo fibers for the black and natural colored journals and 15% coffee grounds for the brown colored journals.

CRUNCH TIME DW300
More than 17 million barrels of oil are required to produce enough plastic water bottles to meet America's annual demand for bottled water.
